

## About Bang!

Bang! is Oxford University's independent, student-produced science magazine.

Bang! aims to make science stimulating, fun and accessible to everyone. Publishing the latest scientific research, interviews with high-profile scientists and a whole host of interesting articles, Bang! brings the fascinating and quirky side of science to life in a graphically gorgeous magazine.

## Details

- Readership of 7,500 students, both graduates and undergraduates.
- Distributed throughout Oxford's colleges and science departments.
- Published termly by Oxford Student Publications Ltd.
- All editions available online.

## Advertise with Bang!

Bang! provides advertisers with a unique opportunity to connect with a large number of the brightest science students in the country, both undergraduate and postgraduate. It provides the ideal medium for communicating graduate positions and events as well as building brand awareness among a targeted audience.

Past advertisers have included financial services groups, doctoral research centres, legal firms and media organisations.

# Rate Card

Advertisements should be supplied as high-resolution PDFs (at least 300dpi) in CMYK, and with all fonts embedded. Please note, we require a 5mm bleed and 10mm margin on all sides (see below).

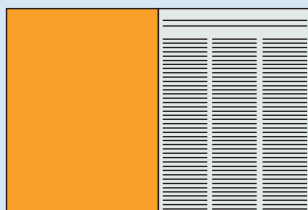

Discounts are also available for repeat advertisers, charities and local businesses.

Prices do not include VAT.
